LITERALLY NEW AND IMPROVED

MOBILE FRIENDLY

No matter what device you are using from desktop, laptop, tablet, to mobile phone, the new WurthWoodGroup.com has been built to provide a stellar experience across all platforms to make ordering on the go a breeze.

ADVANCED SEARCH & FILTER OPTIONS

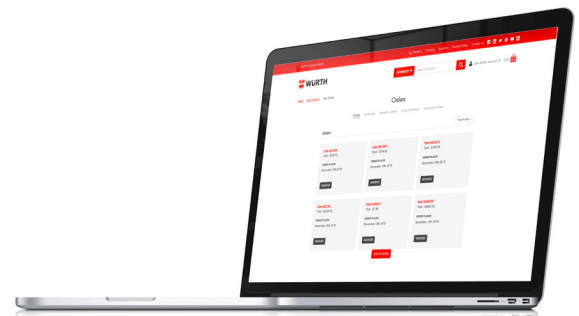

Who hates wasting time trying to locate something when you know exactly what you are looking for? We know we do! Now with our advanced search you can search by name, description, sku, keywords, categories or brands.

Looking to dive deeper? Each category has custom filtering options allowing you to narrow in on the exact product you need.

YOUR ACCOUNT

No need to hunt down old order sheets from around the shop. Now you can jump into your account to find past orders or view the status of a current order.

In your account area you will also have super control over your own shopping list for easy ordering.

ADDITIONAL ENHANCMENTS
